Memorandum No. 33144 F.D.I/49-1, dated 13th August 1949.

G.O. Ms. No. 29, Firka Development, dated 9th January 1950.

Memorandum No. 9339 F.D.I./50-2, dated 5th March 1950.

Order—No. 277, Firka Development, dated 1st April 1950.

In G.O. Ms. No. 632, Firka Development, dated 13th July 1949, the Government ordered that the Firka Development Scheme should be extended to fifty new additional firkas in the State. After careful examination of the proposals made for the selection of the additional firkas in the State, the Government have finalized the list of the new firkas to be selected for launching the intensive Rural Reconstruction Scheme. The additional firkas so selected are accordingly notified in the Annexure appended to this order.

In the case of certain districts, the additional areas selected are not complete revenue firkas. In such cases the names of the villages which comprise the new additional areas selected are given.

2. In the districts of South Arcot, Coimbatore, Guntur, Kurnool and Visakhapatna (South) where there are already two or more firkas and centres, new areas have been added not only to the firkas but also to the khadi centres. The manner in which the additional selected areas in these districts should be grouped with the existing firkas and centres is indicated in the Annexure.

3. In the Coimbatore district one of the new firkas selected is the Tiruppur Firka. The Tiruppur, Palladam and Avinashi firkas should be treated as one area and placed in charge of a single Firka Development Officer. The other Firka Development Officer released thereby should be transferred to work in the Valikandapuram and Vengalam firkas in the Tiruchirappalli district.

4. In the case of the Tiruchirappalli district, Vengalam and Valikandapuram firkas including the Kaikolathur group of villages of the old Puliankurichi centre in which the intensive Rural Reconstruction Scheme is already in force have been selected in addition to Thathiengarpet firka and part of Paramarthi firka. The Vengalam and Valikandapuram firkas should be constituted into one unit and placed in charge of a Firka Development Officer to be released from the Coimbatore district.

5. The Government consider that the work in the additional firkas should be launched immediately. Collectors are accordingly requested to take immediate steps for organizing Firka Development work in the areas notified in the Annexure. A report of the steps taken by them to implement the intensive Rural Reconstruction Scheme in the additional selected firkas should be furnished to the Government at an early date.

6. A complete list of the villages comprised in the new additional firkas will be furnished separately.
